

Friends with Honey

Bee for Biodiversity Workshop / Incursion

**Delve into the captivating and biodiverse world of bees
and explore ways to support these vital pollinators**

\$495*

*Terms and conditions apply;
For programs delivered during the months of
July to December 2024, in the Metropolitan Melbourne
Area. Maximum of 30 children
per program. Discounts apply for multiple
same day programs at the same venue.

**It's an engaging and interactive experience that
promises to deepen your understanding of the
vital role bees play in our world.**

“ Thanks for the wonderful holiday programs you ran.
As I was walking out at the end one of the parents
said to me that it was one of the best holiday
programs they'd been to. I really enjoyed it too!
Anna Mezzetti – Sustainable Monash

BIODIVERSITY | SUSTAINABILITY | POLLINATION | CITIZEN SCIENCE

Workshop Highlights:

- **Ecosystem Essentials:** Delve into the ecological services that bees provide in our gardens and food production systems. Gain insights into how these incredible insects shape our natural world.
- **Discover Native vs. European Honey Bees:** Learn about the fascinating differences between native Australian bees and European honey bees.
- **Waggle Dance:** Learn how to 'dance like a bee' with the famous waggle dance, a fascinating insight into how bees communicate with each other.
- **Honey Tasting:** Delight your taste buds with a sampling of delicious, locally sourced honey from our very own Apiary. Learn about how and why bees make and store honey.
- **Beehive Tour:** Get an up-close look at a beehive (minus the bees). Discover the inner workings of these intricate superorganisms and marvel at their complex social structure.
- **Creating Bee-Friendly Gardens:** Acquire some practical tips on designing bee-friendly gardens that make your outdoor space a haven for these essential pollinators.
- **Beekeeping Insights:** We'll discuss some essential considerations for those interested in starting their own beekeeping journey.

Workshop Details:

- **Age Group:** This workshop is suitable for families with children 8 years and older, gardeners, nature enthusiasts, and curious learners of all ages.
- **Duration:** Approximately one and a half hours of non-stop fun and learning.

Price:

- **\$495** for one session for up to 40 participants in the Metropolitan Melbourne Area. Regional Travel Surcharges apply - please inquire.

Scheduling:

The Friends with Honey Bee for Biodiversity Workshop is available all year-round. Please book in advance to secure your preferred dates.
